RE: MUR 5581
In re Michigan Republican Party et al.

This firm represents the Oregon Family Counsel in this matter. Please find attached the "Statement of Designation of Counsel" from a prior FEC investigation, *In re Nader for President, et al.*, MUR 5475. We trust that this designation is still valid, but if need be, we will happily provide an updated Statement of Designation of Counsel.

In the *Nader* matter, MUR 5475, the complaint raised claims against Oregon Family Counsel identical to the ones advanced in this case. For the sake of simplicity, we attach the documentation submitted in the *Nader* matter, including Oregon Family Counsel's memorandum in support of dismissal and supporting affidavits.

We trust these materials are sufficient to determine that Oregon Family Counsel operated within all applicable federal election laws in this case. Should you have any questions or need additional materials, please do not hesitate to contact us.

Thank you for your courtesies and assistance.

Very truly yours,

Kelly Clark
